A screenshot of a Facebook post. The post is from a user named 'MangoRises', whose profile picture is a white silhouette of a person's head on a black background. The post text says: 'On 6/6/2019 at 9:15 PM, MangoRises said: Thanks so much for answering the ultimate question....! 🤖'. Below the text, it shows '42' likes with a small profile picture of a person with glasses. At the bottom of the post, there is a blue button with a white plus sign and the word 'Quote'. Below the post, there are several blue links: 'BonVoyage', 'Keep It Straight', 'Who Am I', and 'Parking Brake'. To the right of these links is a small icon of a speech bubble with a checkmark. The background of the screenshot is a light blue gradient.

Today I learned

A screenshot of a Facebook post. At the top, there is a profile picture of a person with dark hair and a black silhouette. Below it, the name 'Members' is displayed. The post shows a green speech bubble icon followed by the number '1,559' and a grey speech bubble icon followed by '1.5k'. To the right, there is a blue button with a white plus sign and the word 'Quote'. Further right, the text 'maja likes this' is visible next to a small circular profile picture of a person with blonde hair. At the bottom of the post, there is a white box with the text '5 months later...'.
